## LAGUNA BLU S/S 2017

Constantly looking for new inspiration the AFS International team studies every year the market demands in order to perceive and prevent new needs and offer a product always updated and trendy. Laguna blu is a collection that meets the requirements of the wholesalers to offer a quality product at a competitive price.

The Laguna blu 2017 line is composed of young and ladylike prints, plus a never ending solid colour selection. Black, Blue and Red are the solids that it is possible to mix and match with the prints. Paisley, Stripes, Zig Zag, and colourful all-over complete the offer. The collection goes from size 40 to size 52, presenting cups B, C and D in almost all the styles. The variety of models, from Triangles to Tankinis, passing through One-pieces and Push-ups or Bandeaux, make this new concept to provide a perfect swimwear at an affordable price.

The silhouettes, included in the collection, are carefully designed to combine an attractive appearance to a perfect fit and comfort, without giving up, to a quality of materials and workmanship. Laguna blu by David keeps intact the knowledge that the father-brand has acquired in the last 60 years of work on the market taking it to a different type of collection.
